Code: HPACHH

Features

- Unit: Each
- Pack Qty: 1
- Carton Qty: 12
- Colour: Black, Orange, Red, White, Yellow
- EN12492

Product Details

Full 360° head protection. Designed with the best features for an industrial safety helmet. Offers full head protection for work at height and general site safety. Built to mountaineering certification (EN12492). The Raptor 360° Helmet is made to last and has provision for all the standard accessories that are needed on the job. The Raptor 360° Helmet features ten air intakes which provide efficient cooling and ventilation. The air intakes on the outer shell are equipped with a protective nylon mesh that prevents entry of debris into the helmet.

Features and Benefits

- Easy size adjustment system
- 10 air intake vents, aluminum mesh covered to prevent debris entry
- Inner lining fully detachable and washable
- Head lamp holder clips
- 2 slots for mounting ear protection & visor
- Metal free
